Among highlights of our presentation are new works by Jules de Balincourt, Ali Banisadr, Hernan Bas, Chantal Joffe, Maria Nepomuceno, Chris Ofili, Shahzia Sikander and Khalif Tahir Thompson. We are pleased to spotlight with Olney Gleason new paintings by Emil Sands on view across both galleries' booths. This is the first joint presentation of the artist since announcing his representation in partnership in January 2026.

A sculpture by Conrad Shawcross is drawn from his new series *Time Pebble*, which is debuting in *Shadows of the Mechanism*, the artist's solo exhibition opening at the gallery in London this November. New and recent paintings by Clare Woods will be on view ahead of her first solo exhibition with the gallery in February 2027.

Significant historical works include a painting from the late-1940s by Hedda Sterne and a 2006 painting by Geoffrey Holder.
