

LIA RUMMA GALLERY

ART BASEL 2025
Booth C2 | Hall 2.0

“Who sees the human figure correctly: the photographer, the mirror, or the painter?”

Pablo Picasso

Reflecting on the words of Pablo Picasso, Lia Rumma Gallery is pleased to present on the occasion of Art Basel 2025, a selection of works that questions the role of the photographer, the painter and of the artist all-round. Through this interrogative, the human figure becomes functional in understanding what constitutes an image and its power to transform its subjects.

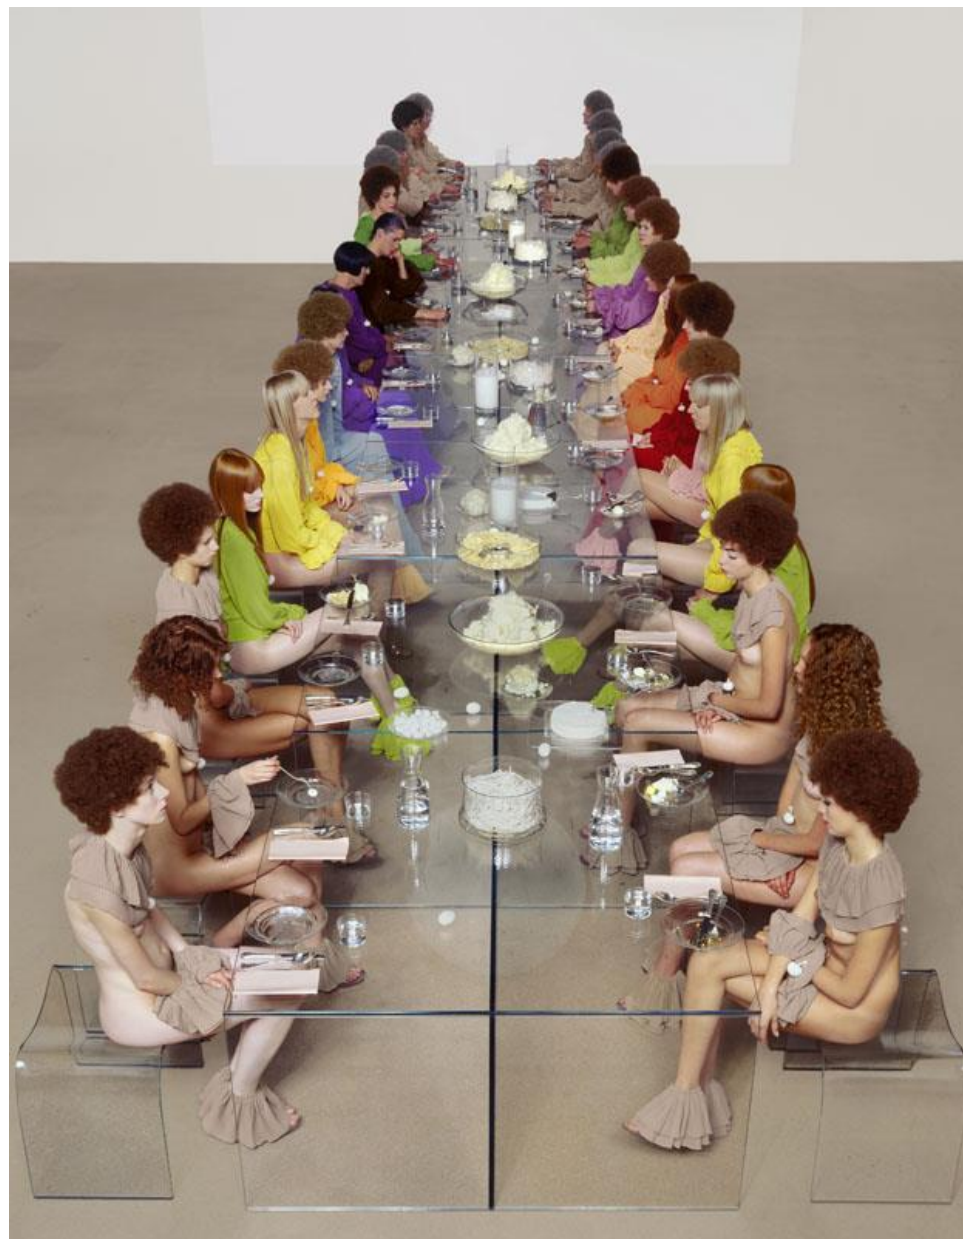

The artists featured in our booth investigate the ambiguousness of representation and welcome open-ended reflections on the use of the image in our time.

The booth includes works by Vanessa Beecroft, Gino De Dominicis, Douglas Huebler, Ilya & Emilia Kabakov, William Kentridge, Joseph Kosuth, Ugo Mulas, Shirin Neshat, Thomas Ruff, Wael Shawky, Ettore Spalletti, Gian Maria Tosatti, Andy Warhol, Gilberto Zorio.
