An inmate of the lunatic asylum was to be examined for dismissal. The first question asked was: "What are you going to do when you get out of here?"

The inmate replied: "I'm going to get me a sling shot and come back and break every damn window in the place!"

After six months in his padded cell, he was again questioned.

'Well, I'm going to get a job," was the reply.

"Fine," said the examiner. "And then what?"

"Then I'm going to buy a big car."

"Good."

"And then, I'm going to meet a beautiful girl."

"That's wonderful."

"Then I'm going to take her out driving on a lonely road."

"Yes."

"Then I'm going to grab her garter, make a sling shot, and come back here and break every window in the place."
